Rustic Manor

## BEAUTIFUL HISTORIC STYLE, BUILT IN.

**The authentic look of brick—  
without the expense, work or weight.**

Boral Bricks Inc., America's largest brick manufacturer, now offers Boral® Thin Brick, a simple way to give any home the warmth and elegance of brick with easy installation and lighter materials. Whether you're building or renovating, Boral® Thin Brick is a distinctive solution combining the antique look and rugged feel of true handmade brick with only a 3/4" thickness, giving the effect of full dimension masonry.

Oyster Bay

**Enjoy the beautiful look of weathered brick—  
indoors and out.**

Boral® Thin Brick has endless applications. For interior use, it's applied much like tile. Boral® Thin Brick can add rustic warmth to kitchens, bathrooms, lofts, wine cellars and basement renovations, without the weight of real brick.

Combining accents of Boral® Thin Brick with existing exterior materials, such as stone or cedar shakes, makes outdoor renovations and facelifts simple. Installed much like thin stone products, it can help dress up a concrete wall or give the finishing touch of real brick to an outdoor kitchen or fireplace.

In addition, Boral® Thin Brick products are backed by our 50-year Limited Warranty. Products are covered for a period of 50 years from the date of purchase when used on a structure that conforms to local building codes and when installed in accordance with the manufacturer's instructions. Boral will repair or provide, free of charge, new materials to replace any determined to be defective. This warranty is limited to the original purchaser and may not be transferred to any subsequent owner.

Tuscan Blend

**Beautiful color, ruggedly refined.**

Boral® Thin Brick is available in four exquisite colors: Oyster Bay, Rustic Manor, Low Country, and Tuscan Blend. Each piece is crafted from molds made from real hand made brick to showcase the texture and color range of artisanal brick from a bygone era. The lightweight flats and corners give the appearance of installed brick without the costly wall reinforcement.

When you want the look of brick – but not the structure – Boral® Thin Brick is the perfect solution.
